I'm a fool to want you
I'm a fool to want you

To want a love that can't be true
A love that's there for others too

I'm a fool to hold you
I'm a fool to hold you

To seek a kiss not mine alone
To share a kiss that Devil has known

Time and time again, I said I'd leave you
Time and time again, I went away - yes, I did!

But then would come the time
When I would need you
And once again I had to say
Take me back, I love you
With me, I need you

I know it's wrong
It must be wrong

But right or wrong, you know
I just can't get along without you

Time and time again
I said I'd leave you - yes, I did!
Time and time again
I went away, yeah

But then would come the time
When I would need you
And once again, I had to say
With me, I need you
Can't you see, I love you?
I know it's wrong
It must be wrong
But right or wrong
I just can't get along without you

I just can't get along without you, babe
I just can't get along without you, woman
