You sigh, the song begins, you speak and I hear violins
It's magic
The stars desert the skies and rush to nestle in your
eyes
It's magic

Without a golden wand or mystic charms
Fantastic things begin when I am in your arms

When we walk hand-in-hand, the world becomes a
wonderland
It's magic
How else can I explain those raindrops, when there is
no rain?
It's magic

Why do I tell me myself these things that happen are all
really true
When in my heart I know the magic is my love for you?

It's magic
It's magic

Why do I tell me myself these things that happen are all
really true
When in my heart I know the magic is my love for you?
