Going to Kansas City, Kansas City, here I come, ah, huh
Going to Kansas City, baby, Kansas City, here I come,
ah, huh
They got some crazy little men there, I'm gonna get me
one

I'm gonna be standin' on the corner, 12th Street and
Vine, yes, I am
I'm gonna be standin' on the corner, baby, 12th Street
and Vine, yes, I am
Oh, with my Kansas City baby and a mug of Kansas City
wine

Well, I might take a plane, I might take a train
But if I have to walk, yeah, I'm goin' just the same

Going to Kansas City, Kansas City, here I come, uh, huh
They got some crazy little men there, I'm gonna get me
one

Well, I might take a plane, I might take a train
But if I have to walk, yeah, I'm goin' just the same

Going to Kansas City, Kansas City, here I come, uh, huh
They got some crazy little men there, I'm gonna get me
one
They got some crazy little men there, I'm gonna get me
one
