Keep on smiling  
Keep on smiling  
Keep on smiling  
The very best is there for you  
Just go right out and take a few

I know a little Shanty town  
Where the people gather round  
Singing dancing all the way  
Like happy children out to play  
Just watch the people how they dance  
You'd think that they are in a trance  
Melodies from their guitars  
Leave you just gazing at the stars

Keep on smiling  
Keep on smiling  
Keep on smiling  
The very best is there for you  
Just go right out and take a few

Keep on smiling  
Keep on smiling  
Keep on smiling  
The very best is there for you

Just go right out and take a few  
I know a little Shanty town  
Where the people gather round  
Singing dancing all the way  
Like happy children out to play  
Just watch the people how they dance  
You'd think that they are in a trance  
Melodies from their guitars  
Leave you just gazing at the stars

Keep on smiling  
Keep on smiling  
Keep on smiling  
The very best is there for you  
Just go right out and take a few  
Keep on smiling

Keep on smiling  
Keep on smiling  
The very best is there for you  
Just go right out and take a few
