Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh what a night

Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh what a night

Girls, y'all got one  
A night that's special everywhere  
(Say what)  
From New York to Hollywood  
It's ladies night and girl that feeling's good

Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh what a night

Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh what a night

On disco nights, your names will be seen  
You can fulfill all your dreams  
A party here, a party there everywhere  
This is your night, baby, you got to be there

This is your night tonight  
(Come on let's all celebrate)  
Everything's gonna be alright  
This is your night tonight  
Everything's gonna be alright

This is your night tonight  
(Come on let's all celebrate)  
Everything is gonna be alright  
This is your night tonight  
Auh

Girls, y'all got one  
A night that's special everywhere  
(Say what)  
From New York to Hollywood  
It's late at night and girl that feeling's good

Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh what a night

Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh what a night

Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh what a night

Oh yes, it's ladies night  
And the feeling's right  
Oh yes, it's ladies night  
Oh what a night
