Love is what I want, oh yeah  
And all you gotta do is bring it to me baby, ooh  
Talk is what I want, oh yeah  
And all you gotta do is bring it to me baby

(Talk, talk, talk)  
Come on, let's talk about it  
Can't seem to do without it  
Don't want to be  
One of the broken hearted

So lift me up, finish what you started  
Take me on for a ride  
Lift me up from the broken hearted  
River's deep and wide

All I want is love oh yeah  
And all you gotta do is listen to me baby

(Think, think, think, think)  
You got to think about it  
And do something about it  
No use complainin' when it's over over

So lift me up, finish what you started  
Take me on for a ride  
Lift me up from the broken hearted  
River's deep and wide

(Talk, talk, talk)  
'Cause life gets tougher every day  
If you can't afford to pay  
Even so you got to carry on

So lift me up, finish what you started  
Take me on for a ride  
Lift me up from the broken hearted  
River's deep and wide

Lift me up, lift me up  
Lift me up, lift me up  
Lift me up, lift me up

The river's deep and wide  
Lift me up
