Don't you feel it growin', day by day  
People gettin' ready for the news  
Some are happy, some are sad  
Got to let the music play

What the people need  
Is a way to make 'em smile  
Ain't so hard to do if you know how

Gotta get a message  
Get it on through  
Got to let the music play  
Let the music play  
Let the music play

Oh, oh, oh listen to the music  
Oh, oh, oh listen to the music  
Oh, oh, oh listen to the music  
All the time  
Let the music play

Well I know, you know better, everything I say  
Meet me in the country for a day  
We'll be happy and we'll dance  
We're gonna dance the blues away

If I'm feelin' good to you and you're feelin' good to me  
There ain't nothin' we can't do or say  
Feelin' good, feelin' fine  
Gonna let the music play  
Let the music play  
Let the music play

Oh, oh, oh listen to the music  
(Oh, yeah)  
Oh, oh, oh listen to the music  
(Don't it make you feel good)  
Oh, oh, oh listen to the music  
All the time

Like a lazy flowing river  
Surrounding castles in the sky

The crowd is getting bigger  
Listenin' for the happy sounds  
I've got to let them fly

Oh, oh, oh listen to the music  
Oh, oh, oh listen to the music  
Oh, oh, oh listen to the music  
All the time  
(Listen to the music, now)

Oh, oh, oh listen to the music  
Oh, oh, oh listen to the music  
Oh, oh, oh listen to the music  
All the time

Oh, oh, oh listen to the music  
Oh, oh, oh listen to the music  
Oh, oh, oh listen to the music  
All the time

Music is my sanctuary  
Music is my life  
Music is my sanctuary  
Music is my life

Music is my sanctuary  
Music is my life  
Music is my sanctuary  
Music is my life
