Words and music by Tom Jones

(Now people you know who I am,

And you know what I can do,

But I got a problem now and I'm gonna tell you about it,

I'm looking for this woman, y'see,

Listen, this is the way the story goes)

Looking out my window

Looking at the rain

Nothing left but pain

Why'd you go and leave me

Sad alone and blue

Looking out my window woman

Tryin' to find you

Why did you leave me?

Why did you grieve me?

Looking out my window

What do I see?

Nobody's crying

Half as bad as me

I don't think that they feel

So alone and blue

Looking out my window baby

Trying to find you

Why did you leave me?

Why did you grieve me?

I'd like to tell you about

This little girl that left

Me so alone and blue

The trouble is if I paint the

Picture too well you

Might fall in love with her too

She was about 5-6

A little bag of tricks

My mama told me to watch myself but I didn't listen

Because for you baby I'd scratch out my eye

Looking out my window

Down the railroad track

Waiting for that little brown eyed girl

She's coming back

I gotta hear that whistle blowing

Down the line

Come back girl

She'll be mine, oh mine

Why did you leave me?

Why did you grieve me?

Woah

Baby come on home

I'm so alone

Y'know I don't care what the world might say

I'm gonna love you

Oh baby

I'm down on my knees

And I'm beggin' you please

Ah

Baby, baby, baby, baby, baby, baby, baby, baby, baby,
baby, baby, baby,

I love you, I love you

Come on home, come on home baby, come on home
baby, come on home baby, to me.
