Oh, please release me, let me go
For I just don't love you anymore
To waste our lives would be a sin
Release me and let me love again

I have found a new love, dear
And I will always want her near
Her lips are warm while yours are cold
Oh, release me, my darling let me go

Please release me, let me go
For I just don't love you anymore
To waste our lives would be a sin
Release me and let me love again

Let me go, oh release me, my darling
Let me go
