Oh, we heard church people say  
They are in the holy way  
There are strange things happening everyday

Oh, the last man judgment day  
When they drive him all away  
There are strange things happening everyday

Everyday  
(Everyday)  
Everyday  
(Everyday)  
There are strange things happening everyday

Everyday  
(Everyday)  
Everyday  
(Everyday)  
There are strange things happening everyday

If you want to view the climb  
You must learn to quit your lyin'  
There are strange things happening everyday

If you heal right through the lies  
You can live right all the ties  
There are strange things happening everyday

Everyday  
(Everyday)  
Everyday  
(Everyday)  
There are strange things happening everyday

Everyday  
(Everyday)  
Everyday  
(Everyday)  
There are strange things happening everyday

Jesus is the holy light  
Turning darkness into light

There are strange things happening everyday

He gave the blind man sight  
When he praised Him with all his might  
There are strange things happening everyday

Everyday  
(Everyday)  
Everyday  
(Everyday)  
There are strange things happening everyday

Everyday  
(Everyday)  
Everyday  
(Everyday)  
There are strange things happening everyday
