Untrue, unfaithfull  
that was you  
Every other day  
there was someone new

Untrue, unfaithfull  
that was you  
Why was I a fool  
to fall in love with you

Wishing for something  
other than love  
Wishing that I had  
never known love  
Wishing I could forget

Wishing that I have  
never tasted  
kisses that suddenly  
are wasted  
Wishing I could forget you  
Wishing we've never met

Untrue, unfaithfull  
that was you  
Every other day  
there was someone new

Untrue, unfaithfull  
  
that was you  
Why was I a fool  
to fall in love with you

If I could stop  
the willow weeping  
If I could stop  
the sun from sleeping  
Then I could stop  
the shaddows creeping  
over my love for you  
Guess I'm still

missing you

Untrue, unfaithfull  
that was you  
Every other day  
there was someone new

Untrue, unfaithfull  
that was you  
Why was I a fool  
to fall in love with you
