WALK THROUGH THIS WORLD WITH ME
WRITERS KAY SAVAGE, SANDRA SEAMONS

Walk through this world with me Go where I go Share
all the dreams with me I need you so In life we search
And some of us find I've looked for you A long, long
time And now that I've found you New horizons I see
Come take my hand and Walk through this world with
me Walk through this world with me Go where I go
Share all the dreams with me I've searched for you so
And now that I've found you New horizons I see Come
take my hand and Walk through this world with me
Come take my hand and Walk through this world with
me
