"To live for today and to love for tomorrow  
is the wisdom of a fool  
because tomorrow there's promised to noone  
you see love is that wonderful thing  
that the whole wide world needs plenty of  
If you can think for one minute that you can live without  
it  
then you are only fooling yourself.  
Listen please  
I like to tell you something  
that happened to me just the other day".

I awakened this morning  
I was filled with despair  
all my dreams turned to ashes and now they're gone.  
And I looked at my life it was barren and so bare  
Without love I had nothing, nothing at all.

REFF:  
Without Love I had nothing  
Without Love I had nothing, nothing at all.  
I had conquered the world  
but one thing did I have  
Without Love I had nothing, nothing at all.

I once had a sweetheart  
who loved the only me  
there was nothing that she would not give.  
I was blind to her goodness and I just could not see  
that a heart without love cannot live.
