You came a long way from St. Louis  
You climbed the ladder of success  
I've seen the town and country cars  
That were parked out in front of  
Your fancy address

You came a long way from St. Louis  
You broke a lot of hearts between  
I've met a gang of gloomy guys  
Who were doin' all right  
'Till you came on the scene

You came here from the middle-west  
And natcherly impressed  
The population here-about  
Listen, baby  
I got news for you  
I'm from Missouri too  
So, natcherly, I got my doubts

You got 'em droppin' by the way-side  
A feelin' I ain't gonna know  
You came a long way from St. Louis  
But, baby, you still got a long way to go

You had to blow the middle-west  
And natcherly impressed  
The population here-about  
Baby, I've got news for you  
I'm from Missouri too  
So, actually, I got my doubts

You got 'em fallin' by the way-side  
A feelin' I ain't gonna know  
You came a long way from St. Louis,  
But, baby, you still got a long way to go

I love ya, I need ya, I want ya  
But listen, baby, oh, listen, baby  
You got a long way to go, yeah

I want ya, I need ya, I love ya

Listen, baby, come on back home  
Oh, baby, you got a long way to go
