You just call out my name, and you know where ever I  
am  
I'll come running, running to see you again  
Winter, spring, summer, or fall, honey  
All you got to do is call and I'll be there, yes I will  
You've got a friend.

When you're down and troubled and you need some  
love care  
And nothing, no, nothing is going right  
Close your eyes and think of me and soon I will be  
there  
To brighten up even your darkest nights

You just call out my name, and you know where ever I  
am  
I'll come running, running to see you again  
Winter, spring, summer, or fall, baby  
All you got to do is call and I'll be there  
You've got a friend
