You never close your eyes any more when I kiss your
lips
And there's no tenderness like before in your fingertips
Mmm, you're trying hard not to show it baby
But baby, baby I know it

You've lost that loving feeling
Ohh, that loving feeling
You've lost that loving feeling
Now its gone, gone, gone

Now there's no welcome look in your eyes when I reach
for you
Baby you've started to criticize every every every little
thing that I do
It makes me just feel like crying, baby
'Cause baby, something beautiful is dying

Na, na, don't throw it away, don't throw it away
Now, baby, oh baby, I beg you baby, oh baby
I beg you please, I need your love
So bring it on back, bring it back
Bring it back, bring it, bring it, bring it back

Bring back that loving feeling, ooh, that loving feeling
Bring back that loving feeling
Cause its gone, gone, gone
And I can't go on no more

Oh baby, yeah baby, oh bring it on back now, hey baby
I beg you baby, oh baby
Bring it on back, bring it on back
Bring it, bring it, bring it back

Bring back that loving feeling
Ohh, that loving feeling
