[Chorus]

Don't push me cause I'm close to the edge  
The fox tried to eat gingerbread  
Don't push me cause I'm close to the edge  
The fox tried to eat gingerbread  
Hahahaha

[Verse 1]

You all heard the story about me and the fox  
I was on the run and he set me up  
Needed his help, the snake that he was  
The greedy motherfucker tried to eat me alive  
In the belly of the beast, Gingy survived  
Sat there, plotted, refused to die  
Relive Jonah inside the whale  
The hunger of this creature became a jail  
Too strong, mind over matter, can't break me  
Upset his stomach, no longer can he take me  
Suffering food poison, regurgitate me  
Now it's really on, I'ma make him hate me

[Chorus]

[Verse 2]

Got my gun, blew a plug out his ass  
I'ma kill him, make a rug out his ass  
Please Gingy, I didn't want to do it to you  
The feds made me cause they had a lot of dirt on me  
Said that if I didn't they'd put a hurt on me  
Can't do time, I'm not built like that  
I said bitch niggas like you get killed like that  
You're not a fox no more, nigga you're a rat  
I'ma keep your fur, turn it to a mat  
I cut his belly, left it wide open  
Pull out his organs, dispose without a trace  
Dragged the motherfucker to my fireplace

[Chorus]

Pop a cap in that nigga  
Beat his ass with a candy cane

Put some Pez up in his head  
Fuck that red ass fox  
Nigga tried to trick me  
Yeah that's right, now he's a murder case  
That's what I was gonna say  
Fuck him and his whole family  
Fox family, fox five
