Fightin' fire with fire

Watch out, you might get what you're after  
Cool babies, strange but not a stranger  
I'm an ordinary guy  
Burning down the house

Hold tight  
Wait till the party's over  
Hold tight  
We're in for nasty weather  
There has got to be a way  
Burning down the house

Here's your ticket pack your bags  
Time for jumpin' overboard  
The transportation is here

Close enough but not too far  
Maybe you know where you are  
Fightin' fire with fire

All wet, hey, you might need a raincoat  
Shakedown dreams walking in broad daylight  
Three hundred sixty five degrees  
Burning down the house

It was once upon a place, sometimes I listen to myself  
Gonna come in first place  
People on their way to work, baby, what did you expect  
Gonna burst into flame

Fightin' fire with fire  
Fightin' fire with fire  
Burning down the house

My house's  
Is out of the ordinary  
That's right  
Don't wanna to hurt nobody  
Some things sure can sweep me off my feet  
Burning down the house

Watch out, you might get what you're after  
Cool babies, strange, but not a stranger  
I'm an ordinary guy  
Burning down the house  
Three hundred sixty five degrees  
Burning down the house

Fightin' fire with fire  
(Fightin' fire with fire)  
Gonna burst into flame  
(Fightin' fire with fire)  
Fightin' fire with fire  
(Fightin' fire with fire)

Gonna burst into flame  
(Burnin' down the house)  
My house  
(Burnin' down the house)

No visible means of support and you have not seen  
nothin' yet  
(Burnin' down the house)  
Everything's stuck together  
(Burnin' down the house)  
I don't know what you expect staring into your TV set  
Fighting fire with fire

Burning down the house  
Burning down the house
