"Solid Ground"

Ever since I was a young man
I tried to find a place where I fit in
And every time I got to planting my feet
You know the dirt opened up and just swallowed me

I got to keep movin'
When the world starts to crumbling down
Got to keep moving
Looking for solid ground

I took a little short term shelter
In the arms of some helter skelter
Yeah she cut me down just to watch me bleed
Now I gotta get along with what's left of me

I got to keep movin'
When the world starts to crumbling down
Got to keep moving
Looking for solid ground

I got to keep on movin' yea
You know I keep on movin'
I'm lookin' I'm lookin'
Got to get along get along with what's left of me
I need some shelter
I need some shelter
I'm still lookin' ah lookin'
Lookin' for solid ground
