Verse 1

When I wake up early in the morning, til i go to bed at
night
peace is always what I dream of, is it somewhere inside

Bridge

So tonight il close my eyes and fly so high across the
sky
and with the world held in my hand i seek the souls
through out the land

Chorus

if i became a star & tryed so hard to move this world
with my heart
singing songs of hope and peace,so people know it can
be achieved
so tonight i sing my song for the world

verse 2

When Im in bed and im dreaming of how it could be
without war
No more fighting no more hurting and no more
suffering anymore

Bridge

I go to bed and I know that all every boy and every girl
will sleep tonight with peace and love in there hearts
forever more

Chorus

if i became a star & tryed so hard to move this world
with my heart
singing songs of hope and peace,so people know it can
be achieved
so tonight i sing my song for the world
for the world

Intrumental

Chorus

if i became a star & tryed so hard to move this world
with my heart

singing songs of hope and peace,so people know it can
be achieved
so tonight i sing my song for the world

So tonight i sing my song for the world
