the race the race

i show you where it's at today
rough past who ever send my way
put your foot down and celebrate
no matter what don't make me wait

everybody's trying to keep this
all you people, welcome to the RACE !!

(refrain 2x)

this is the time
this is the place
this is the battle
face to face
you're always welcome to the race
the race the race
i whether love
i'm giving chance
while act aware
i'll set the face
go back to far
from outta space
the race the race

the race the race

this is my prog
i'm at the weel
the sound
of my automobile
i love the pist
that's pumping loud
i love the screaming
of the croud

everybody welcome to the show
all you people,
ready READY !! GO !!

(refrain 2x)

this is the show-down
don't go down
don't go down
this is the race for the ultimate thrill
this is the show-down
don't go down
don't go down
if we don't make it than nobody will
than nobody will !!

don't slow down
don't go down
don't slow down
don't go down
don't show down
this is the race
oh yeah ...

(refrain 2x)

this is the show-down (mmhhhmmm ...)
don't go down
don't go down (aahhaaa ...)
this is the race for the ultimate thrill (mmhhhmmm...)
this is the show-down
don't go down
don't go down (don't go down)
if we don't make it than nobody will
than nobody will !!

the race the race !!
the race the race !!
