"A Face In The Crowd"

Before all of this ever went down
In another place, another town
You were just a face in the crowd
You were just a face in the crowd
Out in the street walking around
A face in the crowd

Out of a dream, out of the sky
Into my heart, into my life
And you were just a face in the crowd
You were just a face in the crowd
Out in the street, thinking out loud
A face in the crowd

Out of a dream, out of the sky
Into my heart, into my life
And you were just a face in the crowd
You were just a face in the crowd
Out in the street, walking around
A face in the crowd

Face in the crowd
A face in the crowd
A face in the crowd
