By Tom Petty

Some friends of mine and me stayed up all through the  
night  
Rockin' pretty steady till the sky went light  
And I didn't go to bed  
Didn't go to work  
I picked up the telephone  
Told the boss he was a jerk

Your mama don't like it when you run around  
With me  
But we got to hip your mama  
That you got to live free  
Don't need her, don't need school  
You don't like your daddy and you don't like rules

So, c'mon baby let's go  
Don't you hear the rock 'n' roll playin' on the radio  
Sounds so right  
Girl you better grab hold  
Everybody's got to know  
Anything that's rock and roll's fine  
Anything that's rock and roll's fine

Oh oo oh hold me little baby  
I'm a little bit shakin'  
I'm a little bit crazy  
But I know what I want  
I want it right now  
While the 'lectric guitars are playin' way up loud

C'mon baby let's go  
Don't you hear the rock 'n' roll playin' on the radio  
Sounds so right  
Girl you better grab hold  
Everybody's got to know  
Anything that's rock and roll's fine
