By Tom Petty

Well I fought for you  
I fought too hard, to do it all again  
It's gone too far  
You never needed me, you only wanted me around  
It gets me down

Chorus  
There's been a change  
Yeah there's been a change of heart  
I said there's been a change  
You pushed just a little too far  
Made it just a little too hard  
There's been a change of heart

I'll get over you, it won't take long  
I've stood in your gallery  
I've seen what's hangin' from the walls  
You were the moon and sun  
You're just a loaded gun now  
It gets me down --

(Repeat Chorus)

Oh yeah, oh boy looks like we finally hit the turning  
point --  
Oh me, oh my looks like it's time for me to kiss it  
goodbye
