Well, it's Christmas time again
Decorations are all hung by the fire
Everybody's singin', all the bells are ringing out
And it's Christmas all over again, yeah, again

Long distance relatives
Haven't seen 'em in a long, long time
Yeah, I kind of missed 'em, I just don't wanna kiss 'em,
no
It's Christmas all over again, yeah, again

And all over town, little kids gonna get down
And Christmas is a rockin' time, put your body next to
mine
Underneath the mistletoe we go, we go

Everybody's singin', all the bells are ringin' out
It's Christmas all over again, yeah, again

And right down our block, little kids start to rock
And Christmas is a rockin' time, put your body next to
mine
Underneath the mistletoe we go, we go

Merry Christmas time come and find you happy
And there by your fire, I hope you have a good one
I hope momma gets her shoppin' done

And it's a Christmas all over again
Baby, it's Christmas all over again
And it's Christmas all over again

Now let's see, I want a new Rickenbacker guitar
Two Fender bassmans
Chuck Berry songbooks, xylophone
