Words And Music By Tom Petty and Mike Campbell

Somethin' threw me in the dirt.  
Kinda got my feelings hurt.  
Weed was burnin' somewhere down the wind.

I had to get up  
And climb that hill again.

Little Lucy's such a doll,  
Like to climb her garden wall.  
But she only sees me as a friend.

I got to get up  
And climb that hill again.  
I gotta bury my pride,  
Drag this line  
Over that hill  
One more time.  
Gotta get up in the mornin',  
Make my way  
Over that hill again.

I gotta bury my pride,  
Drag this line  
Over that hill  
One more time.  
Gotta get up in the mornin',  
Make my way  
Over that hill again.

Tempers flare and words are spoken.  
You close one door and another opens.  
You hear the music and you wander in.

You got to get up and climb that hill.  
Get up and climb that hill.
