Written by: Tom Petty

Ah baby, when you touch me there
Yeah, yeah
Come on down my house
Come on down my house
I bet your ass you have a real good time
Come on down my house

Well, bring your baby sister
Bring your baby sister
It's ages since I kissed her
Come on down to my house

Well, bring your baby sister
Well, bring your baby sister
Uh, how I missed her
Come on down to my house

Come on down to my house
Come on down to my house

Baby, come on down to my house
Come on down to my house
