I want you to be my little lover  
I want you to be my power glide

Oh oh oh, little girl  
Don't misunderstand me  
'Cause there's a rumor goin' 'round  
Somebody's gonna let me down  
And I don't know what it's all about  
Or if it's true  
I'm countin' on you

I want you to drive my El Dorado  
I want you to fly my aeroplane

Oh oh oh, little girl  
Don't misunderstand me  
'Cause there's a rumor goin' 'round  
Somebody's gonna let me down  
And I don't know what it's all about  
Or if it's true  
I'm countin' on you  
Countin' on you

Well, I saw your reflection in the river  
And I swear, I heard you in the wind

Oh oh oh, little girl  
Don't misunderstand me  
'Cause there's a rumor goin' 'round  
Somebody's gonna let me down  
And I don't know what it's all about  
Or if it's true  
I'm countin' on you

Countin' on you  
I'm countin' on you, woo  
Oh, countin' on you, woo aye  
Countin' on you
