Some days are diamonds
Some days are rocks
Some doors are open
Some roads are blocked

Sundowns are golden
Then fade away
But if I never do nothing
I'll get you back some day

'Cause you got a heart so big
It could crush this town
And I can't hold out forever
Even walls fall down

And all around your island
There's a barricade
It keeps out the danger
It holds in the pain

Sometimes you're happy
Sometimes you cry
Half of me is ocean
Half of me is sky

But you got a heart so big
It could crush this town
And I can't hold out forever
Even walls fall down

And some things are over
Some things go on
And part of me you carry
Part of me is gone

But you got a heart so big
It could crush this town
And I can't hold out forever
Even walls fall down

Baby, you got a heart so big
It could crush this town

And I can't hold out forever
Even walls fall down
They fall down
