Strange voice on the telephone
Tellin' me i better leave you 'lone
Why won't somebody say what's goin' on
Oh, oh, i think i've been through this before

Looks like i've been fooled again
Looks like i'm the fool again
I don't like it, i don't like it

You never said you had no longer to
I need to know 'bout it if you do
If two is one, i might as well be three
It's good to see you think so much of me

Looks like i've been fooled again
Looks like i'm the fool again
I don't like it, i don't like it

You never said you had no longer to
I need to know 'bout it if you do
If two is one, i might as well be three
It's good to see you think so much of me

Looks like i've been fooled again
Looks like i'm the fool again
I don't like it, i do n't like it
