I wanna make it better baby
Listen, I want to make it good again
Yes I want to make it better girl

Yeah better for you, and me
Baby wait and see
I know its been a long, long time
But its gonna be alright
No you mustn't let it drag you down
Honey, there's a lot a fools around
But anything I can do, honey
I'm gonna do it for you

I wanna make it better baby
Listen, I want to make it good again
Yes I want to make it better girl

Yeah good for you and me
Baby please believe
That anything I can do, baby I'm gonna do it for you
(Forget about me, forget about these eyes)
(Forget about me, say good-bye)

There was too much rain, too much humidity
Tell me why you did what you did to me ?
Honey you're the judge, there ain't no jury
And I'm just an innocent boy, used to bein' guilty
