Written by: Tom Petty

Well I run through the kitchen looked in the paper  
Said, Oh God Almighty, mama, there's such a gator,  
Come on, come on  
Every other day I got a gator on my lawn  
Well you dropped your groceries in the kitchen sink  
Went to work and made the bathroom stink, come on,  
come on  
Every other day I got a gator on my lawn

Get with it Mike!

Well I jumped out of bed run across the street  
Asked my neighbor said,  
Where's my meat?  
I had a red raw steak can't find it anywhere  
He looked at me and said,  
What the hell do I care? come on  
Every other day I got a gator on my lawn

Yeah I run in the kitchen looked in the paper  
Said, Oh God Almighty, mama, there's such a gator,  
Come on, come on  
Every other day I got a gator on my lawn  
Well every other day I got a gator on my lawn
