Written by: Tom Petty

If you don't wanna love me  
Then don't say I'm your man  
Honey, if you don't wanna love me  
Don't you say I'm your man  
Ah what's the matter baby  
Can't you see  
This is not the first time

It's happened to me

I got my mind made up  
I got my mind made up

If you don't wanna kiss me  
Honey, then don't touch my hand  
If you don't wanna kiss me  
Honey, you better not touch my hand  
I don't quite get it  
Why can't you see  
This ain't the first time  
It's happened to me  
I got my mind made up  
I got my mind made up

And if you don't really need me  
Honey, then don't say you do  
If you don't really need me  
Honey, then don't say you do  
Always believe me  
Something I said  
Still won't convince you  
Not to play with my head  
Oh yeah

I got my mind made up  
I got my mind made up  
Mind made up
