We got a man on the moon
(It ain't nothin' to me)
We got more comin' soon
(It ain't nothin' to me)

Got natives in New Guinea
With gold in their teeth
Might mean somethin' to you
(It ain't nothin' to me)

But when you dance
I can go right with you
Yeah, when you dance
I can go right with you

We got smilin' politicians
(It ain't nothin' to me)
Got songs from rich musicians
(It ain't nothin' to me)

Called Tokyo long distance
And the queen came for tea
Might mean somethin' to you
(It ain't nothin' to me)

But when you dance
I can go right with you
Yeah, when you dance
I just go right with you

I got a dog on my leg
(It ain't nothin' to me)
I'm walking on eggs
(It ain't nothin' to me)

Missionaries walking backwards
Touch 'em and they bleed
Might mean somethin' to you
(It ain't nothin' to me)

But when you dance
I can go right with you

When you dance
I can go right with you

Yeah, when you dance
I can go right with you
Yeah, when you dance
I just go

Everyone has a message
(It ain't nothin' to me)
For avoiding the wreckage
(It ain't nothin' to me)

Gypsies at home
Watching Jerry Falwell on TV
Might mean somethin' to you
(It ain't nothin' to me)

It ain't nothin' to me
(It ain't nothin' to me)
It ain't nothin' to me
(It ain't nothin' to me)

Absolutely
(It ain't nothin' to me)
Infinitum

(It ain't nothin' to me)
(It ain't nothin' to me)
(It ain't nothin' to me)
