Man thinks 'cause he rules the earth
He can do with it as he please
And if things don't change soon, he will
Oh, man has invented his doom
First step was touching the moon

Now, there's a woman on my block
She just sits there as the night grows still
She says, who's gonna take away his license to kill?

Now, they take him and they teach him
And they groom him for life
And they set him on a path where he's bound to get ill
Then they bury him with stars, sell his body like they do
used cars

Now, there's a woman on my block
She just sits there facing the hill
She says, who's gonna take away his license to kill?

Now, he's hell-bent for destruction, he's afraid and
confused
And his brain has been mismanaged with great skill
All he believes are his eyes
And his eyes, they just tell him lies

But there's a woman on my block
Sitting there in a cold chill
She says, who's gonna take away his license to kill?

Ya may be a noisemaker, spirit maker
Heart breaker, back breaker, leave no stone unturned
May be an actor in a plot that might be all that you got
'Til your error you clearly learn

Now he worships at an altar of a stagnant pool
And when he sees his reflection, he's fulfilled
Oh, man is opposed to fair play
He wants it all and he wants it his way

Now, there's a woman on my block
She just sits there as the night grows still

She says, who's gonna take away his license to kill?
