The roads like a river did u travel alone
Its One day in and the next day gone
Sumtimes u ? and sumtimes u sleep
Sumtimes u turn ur back to the wind
Its a world that(?) the darkend door
where blues wont harm u anymore
Where the rhythm free and lovers sore
You can ride in with me to the distant shore
We wont be hesitatin break down the gardon gate
well theres not much time left today

Life is a highway i wanna ride it all night long
If ur goin my way i wanna drive it all night long

Thru all these cities and all these towns
its in my blood and its all around
i love u now like i loved u then
this is the road and these are the hills
from moza peaks to the memfis nights
fort frances town to vancouver's lights
knock me down im back up again
ur in my blood im notta lonly man
thers no more i cant hold
the roads are ruff this i know
ill be there when the light comes in
just tell them were survivin

Life is a highway i wanna ride it all night long
IF ur goin my way i wanna drive it all night long
Life is a highway i wanna ride it all night long
gimme gimme gimme gimme ya!
Ur goin my way i wanna drive it all night long

Well there was a distance between u and i
a miss understanding was but now we wont keep lookin
behind
OHH!
MMM

There aint no more i cant hold
the roads are ruff this i know
ill be there when the life comes in

just tell them were survivin

Life is a highway i wanna ride it all night long
yeah yeah yeah yeah
IF ur goin my way i wanna drive it all night long
yeah yeah oh gimme gimme gimme gimme yeah!
Life is a highway i wanna ride it all night long
IF ur goin my way i wanna drive it all night long
Gimme gimme gimme gimme ya
Life is a highway i wanna ride it all night long
ya ya ya ya
if ur goin my way i wanna drive it all night long
OHHHHHHHHHHH a gimme gimme gimme gimme
yeah!
