I have a the little red rooster
Wakes me up on Christmas day
I have a the little red rooster
Wake me up on Christmas day

Keep everything in the farm yard upset in every way

The snow began to fall people and the hounds begin to
howl
The snow began to fall and the hounds begin to howl
Better watch your Christmas dinner, the little red
rooster is on the prowl

Well

Instrumental break

If you see my little red rooster
Please drive him home
If you see my little red rooster
Please drive him home
You know you wanna him feel like Christmas, and that
black little rooster is still gone.

Well
