I wanna make it b etter baby  
Listen, i want to make it good again  
Yes i want to make it better girl

Yeah better for you, and me  
Baby wait and see  
I know its been a long, long time  
But its gonna be alright  
No you mustn't let it drag you down  
Honey, there's a lot a fools around  
But anything i can do, honey  
I'm gonna do it for you

I wanna make it better baby  
Listen, i want to make it good again  
Yes i want to make it better girl

Yeah good for you and me  
Baby please believe  
That anything i can do, baby i'm gonna do it for you  
(forget about me, forget about these eyes)  
(forget about me, say good-bye)

There was too much rain, too much humidity  
Tell me why you did what you did to me ?  
Honey you're the judge, there ain't no jury  
And i'm just an innocent boy, used to bein' guilty
