Mary got a brand new car
Mary got a brand new set of wheels
Now everyone here is so charged
Man, you don't know how good it feels

And we wanna go where she goes
We wanna listen to her radio

Mary got a brand new car
Mary got the one she was saving for
Now everyone here is so charged
Mary never looked so good before

And we wanna go where she goes
We wanna listen to her radio

Can we ride? Mary, can we ride?
Can we ride? Mary, can we ride?

Can we ride? Mary, can we ride?
Can we ride? Oh Mary, can we ride?

Mary got a brand new car
Mary got a brand new set of wheels
Now everyone here is so charged
Man, you don't know how good it feels

And we wanna go where she goes
We wanna listen to her radio

Mary got a brand new car
Mary got a brand new car
Mary got a brand new car
Mary got a brand new car

Mary got a brand new car
Mary got a brand new car
