By Tom Petty

Don't hide from me baby  
Shame on you  
Incognito honey you're so crude  
I don't mind  
Take my hand  
Baby I wanna be your mystery man

Yeah you got ruby lipstick  
Rose petal rouge  
And dime store jewelry  
Cheap perfume  
I don't mind, take my hand  
Honey I wanna be your mystery man

You know I do, you know I do  
Oh you know I do, you know I do  
Yeah you know I do, you know I do  
Baby you know I do, you know I do

Don't hide from me baby  
Shame on you  
Dime store jewelry honey you're so crude  
I don't mind  
Take my hand  
Baby I wanna be your mystery man

You know I do, you know I do  
Oh you know I do, you know I do  
Yeah you know I do, you know I do
