Here comes that feeling  
I've seen in your eyes  
Back in the old days  
Before the hard times  
But I'm not afraid anymore  
It's only a broken heart

I know the place where  
You keep your secrets  
Out of the sunshine  
Down in a valley  
But I'm not afraid anymore  
It's only a broken heart

What would I give, to start all over again  
To clean up my mistakes  
Stand in the moonlight, stand under Heaven  
Wait for an answer, hold out forever  
But don't be afraid anymore  
It's only a broken heart

What would I give, to start all over again  
To clean up my mistakes  
I know your weakness, you've seen my dark side  
The end of the rainbow is always a long ride  
But don't be afraid anymore  
It's only a broken heart  
It's only a broken heart
