Shakin like a dog shittin razorblades  
waking up next to nothing after dreamin of you and me  
I'm waking up all alone Waking up so relieved while  
you're  
taking your time with apologies  
im making my plans for revenge  
red eyes on orange horizons  
If Columbus was wrong I'd drive straight off the edge  
I'd drive straight off the edge

Taking your own life with boredom  
i'm taking my own life with wine  
it helps you to rule out the sorrow  
it helps me to empty my mind  
Making the Most Of A Bad Time  
I'm Smoking The Brains From My Head  
leavin the coal coloring the kettle black orange and red  
The kettle is seeing Red

I've got a big fat fucking bone to pick  
with you my darling  
in case you haven't heard I'm sick and tired of trying  
I wish You  
Would take my Radio to bathe with you  
Plugged in and ready to fall

Shakin like a dog shittin razorblades  
waking up next to nothing after dreamin of you and me  
waking up all alone Waking up so relieved while you're  
taking your time with apologies  
im planning out my revenge  
red eyes on orange horizons  
If Columbus was wrong I'd drive straight off the edge  
I'm Seeing Red

I've got a big fat fucking bone to pick  
with you my darling  
in case you haven't heard I'm sick and tired of trying  
I wish You  
Would take my Radio to bathe with you  
Plugged in and ready to fall

plugged in and ready to fall  
plugged in and ready to fall...

...plugged in and ready to fall
