So you want to be a rock n' roll star?  
Well, listen now, hear what I say  
Just get an electric guitar  
And take some time and learn how to play

And when your hair swung right  
And your pants get tight  
It's gonna be alright

Well, then it's time to go downtown  
To the agent man, won't let you down  
To sell your soul to some company  
Who are waiting there to sell plastic ware

And in a week or two  
If you make the charts  
The girls will tear you apart

It's the price you pay for your riches and fame  
Was it all a strange game? You're a little insane  
The money that came and the public acclaim  
Don't forget what you are, you're a rock n' roll star
