Had to find some higher ground
Had some fear to get around You can't say what you
don't know
Later on won't work no more

Last time though, I hid my tracks
Saw what I could not get back
Ya, my way was hard to find Can't sell your soul for
piece of mind

Square one my slate is clear
Rest your head on me my dear
It took a world of trouble
It took a world a world of tears
It took a long time to get back here

Try so hard to stand alone
Struggle to see past my nose
Always had more dogs then bones

I could never wear those clothes
It's a dark victory
You won and you are so lost
Told us you were satisfied
But it never came across

(x2)
Square one my slate is clear
Rest your head on me my dear
It took a world of trouble
It took a world a world of tears
It took a long time to get back here
