In the dark of the sun  
Will you save me a place?  
Give me hope, give me comfort  
Get me to a better place

I saw you sail across a river  
Underneath Orion's sword  
In your eyes there was a freedom  
I had never known before

Hey, yeah, yeah, in the dark of the sun  
We will stand together  
Yeah we will stand as one  
In the dark of the sun

Past my days of great confusion  
I past my days of wondering why  
Will I sail into the heavens?  
Constellations in my eyes

Hey, yeah, yeah, in the dark of the sun  
We will stand together  
Yeah, we will stand as one

Hey, yeah, yeah, in the dark of the sun  
We will stand together  
Yeah, we will stand as one  
Oh, in the dark of the sun

Hey, yeah, yeah, in the dark of the sun  
Oh, in the dark of the sun
