Save a dream for me, the words hang in the air  
Her demons take the dare  
Above the lonely feather circles to the ground  
The house don't make a sound

Turn this car around  
Turn this car around  
I'm goin' back

Green and gray and auburn sliding down the sky  
The devil winks an eye  
A figure in the doorway shouldering the blame  
This ain't without a name

Turn this car around  
Turn this car around  
I'm goin' back  
I'm goin' back  
Yeah, hey

The king and queen are loaded, falling off to sleep  
The ground begins to creep  
Rockets in the tail lights, red burns into night  
Rolling out of sight

Turn this car around  
Turn this car around  
I'm goin' back

Turn this car around  
Turn this car around  
I'm goin' back
