Stand back from me honey
Because I don't know what I might do next
No, I'm surprised by this, frightened by this
Nothin' ever got me so out of my head

And maybe we stand a chance
Maybe we stand a chance
Yeah, and I could be wrong, but you never know
We could stand the chance of a real love

Oh, God knows I love you, God knows I do
Baby, will you let me just prove it to you
Come here to me, baby, come here to me now
Talk to you, talk to you and tell you somehow

That we stand a chance
Maybe we stand a chance
Yeah, and I could be wrong, but you never know
We could stand the chance of a real love

I'm so moved, I'm so changed
Baby, my whole world is a fountain of flame

And maybe we stand a chance
Maybe we stand a chance
Yeah, and I could be wrong, but you never know
We could stand the chance of a real love

I'm so moved, I'm so changed
Baby, my whole world is a fountain of flame

And maybe we stand a chance
Maybe we stand a chance
Yeah, and I could be wrong, but you never know
We could stand the chance of a real love, oh

Oh, we stand a chance, we stand a chance
It's gonna take a turn but we stand a chance
Oh, we stand a chance, we stand a chance
It's gonna take a turn but we stand a chance

Oh, we stand a chance, we stand a chance

It's gonna take a turn but we stand a chance
Oh, we stand a chance, we stand a chance
It's gonna take a turn but we stand a chance
