Let's have another joint on me
Let's get as gone as we can be
And we'll float around the ceiling
'Cause baby, you get me high

Let's have a six pack of beer
Sit and watch the walls disappear
And we'll laugh and talk for hours
Oh, baby, you get me high

Let's smoke a pack of cigarettes
Hey, how 'bout a menthol?
You haven't had one of those yet
Yeah, we'll laugh and cough for hours

Oh, baby, you get me high
Yeah, baby, you get me high
Oh, baby, you get me high
