Never meant to be so friendly
Never made the room look nice
Never heed a word of warning
Never take my own advice...
Oo-oooh, I got a brand new problem:
Pretty and he's five foot ten
I've been in love three times this week -
I'm just about to fall again...

I don't wanna fall in love
I'm never gonna fall in love
Again...
No I don't wanna fall in love
Never gonna fall in love
I'm never gonna fall in love
Again

Never meant to be so sexist
But it's so hard to overcome
Trying hard to fight the feeling
Lechery can be such fun...
Cos everywhere there's lots of foxes
And every cat I meet's a Tom
I wish he didn't make me rabid
Wish he wouldn't turn me on... cos

I don't wanna fall in love
I'm never gonna fall in love
Again...
No I don't wanna fall in love
Never gonna fall in love
I'm never gonna fall in love
Again
