(Verlaine)

Catherine tells me there's no problem,  
It's all just a question of pink or blue.  
In this whole wide world,  
As I drift about,  
She said, "You know me, I believe in everything."

Five hours from Calais  
Another holiday,  
I'm glad I took this chance with you.  
For in the course of things,  
I find a hidden spring,  
Time and time again with you.

Catherine tells me we'll be walking,  
Naturally, the gardens are in bloom.  
She said the light is light,  
I hear the angels sing,  
And you know me, I believe in everything.

Five hours from Calais  
Another holiday,  
I'm glad I took this chance with you.  
For in the course of things,  
I find a hidden spring,  
Time and time again with you.

Five hours from Calais  
Another holiday...

Catherine tells me she don't mean to be sugar-sweet,  
But this whole scene  
Is like a postcard in 3D.  
In this whole wide world,  
As I drift about,  
She said, "You know me, I believe in everything."

Five hours from Calais  
Another holiday,  
I'm glad I took this chance with you.  
For in the course of things,

I find a hidden spring,  
Time and time again with you.
